

UNITED WAY »» SNAPSHOT

In the Chattahoochee Valley, more than half of our residents struggle to make ends meet. This includes households who work but do not earn enough to cover basic costs and are making hard choices between paying for food, housing, or other essentials every month. United Way is working hard, every day, to help close this gap.

WE ARE BUILDING PATHWAYS OUT OF POVERTY AND CREATING A BRIGHTER FUTURE FOR OUR REGION.

United Way is the key to creating real change in the Chattahoochee Valley. We identify our community's greatest needs and strategically invest every dollar where it will have the most impact. Every dollar raised in the Chattahoochee Valley stays here, supporting local nonprofit partners and creating real opportunities for the people who need them most.
