Columbus- Muscogee / Russell County Continuum of Care

Privacy Notice

The U. S. Department of Housing Urban Development (HUD) requires that each jurisdiction that receives funding from HUD have a Community Management Information System (CMIS) in place. Therefore, this agency is required to participate in the Columbus-Muscogee /Russell County Continuum of Care Homeless Management Information System (CM/RC CoC CMIS), a computerized system that collects and stores basic information about the people who receive services from this agency. The goals of the CM/RC CoC CMIS are to assist us in determining your needs and to provide a record for evaluation the service we are providing you.

We only collect information that is needed to provide you with services, and we do not use or disclose your information without written consent, except when required by our funders or by law, or for specific administrative or research purposes outlined in our privacy policy. By requesting and accepting services from this program, you are giving us consent to enter your personal information into the CM/RC CoC CMIS.

The collection and use of all personal information is guided by strict standards of confidentiality as outlined in our Privacy Policy. A copy of the CM/RC CoC CMIS Privacy Policy is available upon request for your review.
